Australian Curriculum Alignment	Level 1	Level 2	Level 3
	Manage their digital identity by recognising that images, video, sound and information of themselves can be shared online for others to see.	Manage their digital identity by recognising content can exist on local devices as well as online for others to see and access.	Manage their digital identity by recognising that content written and posted online or using networked devices can be seen by others and can be helpful or harmful to themselves and others.

Parent resource

• The eSafety Guide shows parents a list of apps and programs that children/young people engage with.

• This resource explain what the app/program is and what is required of their child to engage with the digital platform.
