

# Empowering tomorrow's digital citizens, today

## Create a social tile for National eSmart Week

Blank frame

Example

### Celebrate your positive digital citizens in a few easy steps:

Share photos of students and team members who are participating in this year's National eSmart Week by using this frame.

1. Capture a photo of an individual or a group and insert the image into the template provided using editing software such as Canva or Photoshop.
2. Post the image on social media using **#eSmartWeek** and tag the Alannah & Madeline Foundation ([@alannahmadeline](https://www.instagram.com/alannahmadeline)) in your posts.

Remember, it is your responsibility to only use images that you own and do not infringe upon copyright. Make sure you have permission of the people in your photos to share the image and if they are a child, ensure you have permission from their parents or caregiver.
