

ABCs and Ds

Nurturing digital and media literacy in children

Record the lessons you have shared with your child and make note of what you have done to share that lesson in the comments.

Networks

Teach this in the pre school or early primary years.

- Show how messages travel through networks. Demonstrate sending a message from your computer to someone's phone, and on to another type of device.

Comments

Date lesson was delivered:

Privacy

Teach this in the early primary years.

- Made a list of personal vs private information.
- Switched on highest privacy settings.

Comments

Date lesson was delivered:

Consent

Teach this in the pre school years.

- Built a habit of asking permission before sharing something about your child.
- Respectfully asked family members to do this too.

Comments

Date lesson was delivered:

Vigilance

Teach this in the early primary years.

- Shared some examples of pop-ups, spam or fake profiles that you've come across.
- Showed how to safely remove these.

Trustworthy sources

Teach this in the mid primary years.

- Compiled a list of 'safe' websites or games to use that still support your child's interests.
- Bookmarked these on devices your child uses regularly.
